### **INSTRUCTION BOOKLET FOR MODEL SNSC26CTXC**

For your safety and continued enjoyment of this product,  
always read the instruction book carefully before using.

**IB-17053**

# **IMPORTANT SAFETY INSTRUCTIONS**

When using an electrical appliance, especially when children are present, precautions should always be taken, including the following:

## **READ ALL INSTRUCTIONS BEFORE USING**

**DANGER —** Any appliance is electrically live, even when the switch is off, to reduce the risk of death or injury by electric shock:

1. Always unplug appliance from electrical outlet immediately after using.
2. Do not place or store appliance where it could fall or be pulled into a tub or sink.
3. Do not use appliance while bathing or in the shower.
4. Do not place appliance in or submerge into water or other liquids.
5. If appliance has fallen into water, do not reach for it. Unplug immediately.
6. Unplug this appliance before cleaning.

## **DO NOT REACH INTO THE WATER**

**WARNING —** To reduce the risk of burns, electric shock, fire, or injury to persons:

1. Read all instructions before using.
2. Keep UV Soft Case away from infants and children. This is not a toy.
3. Do not sit on or against or crush UV soft case.
4. Never pull UV Soft Case by adaptor or cord - carry by handle and with lid fully zippered close to avoid any damage.
5. Keep the UV Soft Case away from heated surfaces.

6. Never drop anything or throw anything with force into the soft case to avoid damaging the rack or any LED bulbs. Gently place items meant for sanitizing.
7. Do not pour water, liquids, gels, creams into the soft case to avoid damaging any LED bulbs - only solid dry items/ enclosed containers are intended to be sanitized in this unit.
8. Use only in a dry area. Do not place or store appliance where it can fall or be pulled into a tub or sink.
9. Do not immerse this UV Soft Case in water or other liquids. Follow the instructions in the "Cleaning and Maintenance" section to clean the exterior of the UV Soft Case.
10. Never operate this UV Soft Case if it is damaged. If it is not working properly, return to an authorized service centre for examination and repair.
11. The unit is made of precision parts. Do not dismantle, tamper, re-assemble or modify the UV soft case in any way. Do not drop the unit and protect it from strong impacts.
12. There are no user serviceable parts. If for any reason this uv soft case does not function satisfactorily, return to authorized service centre at address given. Do not attempt to repair it yourself.
13. This is uv soft case is not a toy. If unit is damaged or opened, or leaking is found, discard immediately out of reach of children.
14. Do not use this Sanitizing Soft Case in the presence of flammable anesthetic mixtures with air or with oxygen or nitrous oxide.
15. Zip up the bag completely, keep the safety interlock (magnetic strips) in place, before sanitizing.
16. Keep operation away from strong magnetic field objects.
17. Please use the special adapter that comes with the product. Do not plug this device to the personal computer.
18. Do not expose to eyes and skin.
19. Do not press, beat or trample on this product.
20. Keep the product dry when it is not used for a long time, and do not store it in

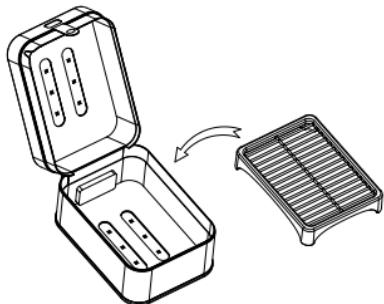

humid environment.

21. This product is only used for family use. The company will not be responsible for any accident or injury caused by commercial use, improper use or non-compliance with this manual.

# SAVE THESE INSTRUCTIONS FOR HOUSEHOLD USE ONLY
